

What parents are saying about CBC Weekday Preschool

I couldn't have asked for a better Preschool experience for my child! His teachers were amazing!! I recommend Crestwood to anyone who is considering Preschool. Thank you for loving my little one! Best wishes for continued success.

*I couldn't be happier with this preschool. I feel like everyone there communicates well with my children and us parents. My kids love going and love their teachers. I have nothing negative to say about this experience and look forward to the kids returning next year.*

*We love our teachers! Our daughter is very strong willed and they work so well with her setting expectations. Her behavior at home has been so much better since she started attending. During the Christmas party, she started to have a meltdown (to the point I was prepared to remove her from the activity), but her teacher was able to calmly, but firmly, redirect her to avoid the meltdown. AMAZING!!! ☺ She asks everyday what day it is, to see if it's a school day.*

This is my son's first year of preschool. He is my second child to attend preschool so I have something to compare it to. We are thrilled with his teachers. My husband and I feel so fortunate that our child can attend such an amazing preschool where he feels loved and cherished. I think you all are doing a great job and we look forward to sending our child back next year and our youngest in a few years as well. Thank you for all that you do!

We love this preschool and we love the staff and program. I don't know why I am always surprised when our child comes to us with what he has been learning in school. I just don't think about the curriculum being so in depth for a 3 year old. He is a little sponge and has learned so much at CBC. Cannot tell enough people about your program and how blessed their family will be to join. Thankful for you all.

*Outstanding school, outstanding teachers! Our third child is enrolled in the preschool program and we couldn't be happier. Everyone is so kind and caring, and this is such a warm and inviting school. We love it here and our kids loved every day at school. The kids learn a lot and grow socially as well. There is nothing but wonderful things to say! Thanks to all for a job well done!*

*I could not be happier with my daughter's first year at CBC. I cannot sing the praises of her teachers enough- not only has she gained so much knowledge, grew in faith, and excelled in socialization, but she loves her teachers. There is a level of love and safety there that I didn't expect, but I'm so grateful. Our family is so blessed by CBC!*
